

Little Beans Preschool policies

Student Sick Days:

A registered family has the opportunity to "makeup" up to 5 sick days in one calendar year. Refunds will not be provided for sick days, vacations, or time off of school. Up to 5 make up days will be offered but Little Beans cannot provide refunds or credits for registered dates that students do not attend. In order for us to be able to pay our teachers and keep the good teacher/student ratios we offer, we depend on tuition that has been committed by families for the scheduled days the student is enrolled. If you would like to schedule a make-up day, email shannon@littlebeanscafe.com.

COVID Closure Policy:

Due to the recent surge in COVID cases as variants becomes more common, we have revised our COVID closure policy. We ask that students stay home if they are not feeling well or have any symptoms that could be related to COVID including sore throat, fever, chills, cough, runny nose. Please have your child tested and let us know if you receive a positive COVID result.

-The preschool receives notice of one case: The class with the infected student / teacher will be contacted and the student will be required to quarantine for 7 days. Class will remain in session. We ask all families to watch for any symptoms and get a covid test if you see any signs of COVID. If a family decides to stay home, they may use any of their 5 makeup days, but a refund will not be provided.

-The preschool gets notice of a second overlapping case: The class with the infected student / teacher will be contacted and the student will be required to quarantine for 7 days. Class will remain in session. We ask families to watch for any symptoms and get a covid test if you see any signs of COVID. If a family decides to stay home, they may use any of their 5 makeup days, but a refund will not be provided.

-The preschool gets notice of a third overlapping case: The infected students will quarantine for 7 days. The class that has been affected will quarantine for 5 days. If there is a sibling in the other classroom, the sibling will also quarantine. Refunds will not be provided but makeup days can be used, if desired. Our teachers will still be paid for a quarantine period so refunds cannot be provided.
